Battery Powered Vacuum Head & Cordless Sweeper

- Designed for use with most vacuum cleaners (32mm compatible)
- Allows operator to vacuum in a 'side-to-side' motion using both hands whilst standing upright
- Cuts vacuuming time by half
- Saves time, money and reduces energy consumption
- Boost productivity and profits
- Robust design - engineered to withstand the rigours of commercial cleaning
- OH&S benefits - improves posture, reduces strain, Fatigue and injury
- Dual counter-rotating brush system
- Central swivel joint with 360-degree range of motion
- Easy glide teflon roller balls
- 2-speed brush control
- Use the hose cuff provided (to suit 32mm hose) or can be used with existing 32mm BEP/HANDLE
- Suitable for both carpets and hard floor surfaces
- Long life rechargeable battery - up to 3 hours run time
- Doubles as a cordless sweeper with easy to empty dust collection tray
- Designed and Engineered in Australia
- A must have for every commercial cleaner!

Proud Australian Invention

Comes with:

- 2 piece rods (straight & telescopic)
- Hose cuff (to suit 32mm hose)
- Battery charger
- Red cap (for use as sweeper)
- Medium brushes (hard & soft available separately)
- Hair/thread cutter & brush
